ON A HISTORICAL CAMPUS

What is St. Mary’s Academy?

A traditional Catholic school operated by the Society of St. Pius X.

St. Mary’s Academy and College are housed on a truly beautiful and historic site along the old Oregon Trail.

In 1841, the Jesuits founded a mission here. Later, the mission became a Jesuit College and Seminary.

In 1978, the Society of St. Pius X acquired St. Mary’s and immediately opened a traditional Catholic School.

In 1981, the College was opened.

INSTAURARE OMNIA IN CHRISTO

St. Mary’s is primarily a school, but she is also home to a college and a thriving parish. This diversity of activities here on campus might be mistaken as an impediment to the proper education of our students. The fact, however, is quite the contrary. Within this setting, the Boys’ Dormitory offers a unique opportunity to its residents for building all the virtues they will need later as priests, religious, and laymen determined to Restore all Things in Christ.

On the spiritual level, a boy in the St. Mary’s Dormitory will have the advantage of the School Masses, the School Marian Sodalities, and a School Chaplain.

He will assist at a magnificent High Mass each Sunday and participate in religious ceremonies and celebrations which only St. Mary’s parish can offer: the Christ the King Festival, Corpus Christi processions, and yearly pilgrimages. He will find the Tridentine Latin Mass at the heart of all his activities and he will pray his daily rosary and chant the evening Compline with St. Mary’s large religious community. Moreover, these boarding boys will have at their disposal for confession and spiritual guidance a priest dedicated to their welfare. The supernatural being taken care of, St. Mary’s also provides a high quality curriculum, taught by renowned teachers. The Dormitory emphasizes and supports this intellectual formation by scheduling daily study halls where the students have the time to assimilate the material taught. If needed, St. Mary’s College students are even available for tutoring sessions. To further their cultural education the parish and college provide for the boarders’ elevated entertainment several classic theater performances, Shakespearean festivals, concerts, and conferences.

St. Mary’s goal of educating the whole man does not neglect the body either. The school’s Physical Education program is dedicated to giving a healthy physical formation while strengthening the will, building a team spirit, and teaching a spirit of sacrifice. The Dormitory life will compliment this character training by developing in the boys a sense of responsibility, honor, and brotherhood.

Your future is in your hands… build it in the St. Mary’s Dormitory.
