The Flint Hills Shakespeare Festival is a fast growing regional event. In recent weeks, FHSF has received 501(c)3 non-profit status from the IRS. Official status will allow the festival to begin aggressively seeking private corporate grants. Access to corporate grants has the potential to greatly improve the quality of the festival in the future and will allow for the ability to begin offering educational summer programs for area students and thespians. The Flint Hills Shakespeare Festival is currently seeking motivated individuals who would like to improve their resumes, support the arts, and positively impact their community by volunteering.
